Howdy All,

Here is the updated Asbestos spreadsheet:

May2020\_FOIA\_...

This contains all eight Asbestos FOIA requests. Steve could you do your magic with assigning leads to the two new ones? I gave it a start but you are better at figuring out the “overlaps.”

Once Steve adds this I’ll post to the SharePoint. Is there any additional info the matrix should contain? I added an “overall” FOIA # (1-8) to help us keep things straight.

Thanks!

Yes, let’s add all that we know of and then I will share it with Yvette.

Thanks,

Hayley

Hayley,

Do you want me to add the 7<sup>th</sup> FOIA request to the spreadsheet? I believe Steve and I agree that it should be assigned to OPPT. (And one of the six FOIA requests in the existing should be reassigned to OPPT as well).

However, it probably would be good to have a “complete” asbestos FOIA tracker for OCSPP. And we do have “coordination” in our name...

It would be great to have a point contact in RAD/OPPT who can oversee this from their side. (i.e., maybe an OCSPP team with OSCP, OPPT, RICS, OGC, etc.)

Bill,  
Great spreadsheet. Please can you put this document in Sharepoint so we maintain version control?

Thanks,  
Hayley

Bill,  
  
The attached reflects my initial thoughts on the 6 FOIAs. As I mentioned yesterday, we need to engage the FACA attorney so we better understand the nexus with FOIA.

Thanks.
